

President's Distinguished Club

July 2004

Dear Club President:

Congratulations! Your club has earned Toastmasters International's "President's Distinguished Club" award for its achievements in the 2003-2004 Distinguished Club Program.

I appreciate the tremendous effort your club made to achieve this award. Club officers and members worked closely as a team to meet Distinguished Club Program goals. Officers organized and conducted exciting club meetings, made sure all members had plenty of speaking and leadership opportunities, and promoted membership growth. Members, in turn, prepared carefully for meeting assignments, earned educational awards, and invited friends, relatives, and co-workers to meetings to help build membership. Because of everyone's efforts, the club achieved the Toastmasters Club Mission.

Enclosed is the banner ribbon your club has earned. If any of your club's officers will be attending the Annual Toastmasters International Convention in Reno, Nevada, U.S.A., I invite them to attend the Club Leadership Luncheon at 11:30 a.m. on Friday, August 20, where the 2003-2004 President's Distinguished Clubs as a group will be recognized. Tickets to the luncheon may be purchased August 18 and 19 at the Toastmasters Convention Registration Desk at the convention hotel. The 2003-2004 President's Distinguished Clubs as a group also will be recognized during the Hall of Fame program held immediately after the luncheon at 1:30 p.m. Details about the convention and registration information were published in the April issue of *The Toastmaster* magazine and appear on our web site, www.toastmasters.org.

Again, I congratulate you. I hope your club continues its success and commitment to excellence this year.

Sincerely,

A handwritten signature in blue ink that reads "Donna H. Groh".

Donna H. Groh
